**ORDER SUPPLEMENTING
STANDING ORDER IN
SOCIAL SECURITY CASE
(Represented Parties)**

ROBERT W. LEHRBURGER, United States Magistrate Judge.

The above-referenced social security action has been referred to the undersigned for Report and Recommendation. All motions and applications, including those related to scheduling and all motions to dismiss or for judgment on the pleadings, must be made to Judge Lehrburger and in compliance with this Court's Individual Practices in Civil Cases, available on the Court's website at <https://nysd.uscourts.gov/hon-robert-w-lehrburger>.

1. **Filing the Record:** Defendant filed the electronic certified transcript of the administrative record ("Record") on June 30, 2021. (Dkt. 15.) In order to promote the efficient adjudication of this matter, the parties shall adhere to the following schedule and procedures.

2. **Mandatory Settlement Proposal and Discussion:**

a. **No later than October 22, 2021**, the parties shall meet and confer to determine whether the case can be resolved by settlement. By this date, the parties shall either: (a) electronically file a stipulation dismissing, remanding, or otherwise resolving the case; or (b) electronically file a joint letter advising the Court that the parties have met and conferred but were unable to resolve the case and are proceeding to brief

their respective positions in accordance with the paragraphs below. Any stipulation entered between the parties including, but not limited to, a remand to the Social Security Administration (“Administration”) for further proceedings must be approved by the assigned District Judge, unless the parties consent to the undersigned’s jurisdiction over the case for all purposes. The parties are advised that a remand for further proceedings is not necessarily a final disposition of the case, and Plaintiff may be entitled to seek further review of any additional proceedings before the Administration.

3. **Plaintiff’s Motion:** Absent settlement of the case, Plaintiff shall file and serve their motion for judgment on the pleadings **no later than October 28, 2021**.

4. **Defendant’s Response:** The Commissioner shall file and serve any response (and cross-motion, if any) to the motion for judgment on the pleadings **no later than December 27, 2021**.

5. **Plaintiff’s Reply:** Plaintiff shall file and serve any reply **no later than January 17, 2022**.

6. **Briefing Requirements:** The parties’ briefs should comply with the following requirements:

a. The brief of each side shall contain a summary of those parts of the record that each side contends should be considered for purposes of review of the agency’s decision. Each statement in a party’s summary of the record shall be followed by a citation to the appropriate pages of the record (i.e., “R. at__”).

b. If Defendant believes that any of the statements in Plaintiff’s summary of the record is inaccurate in any respect, then Defendant’s brief shall include a footnote or section that lists each such statement, explains why each such statement is inaccurate, and includes supporting cites to the record. If Plaintiff believes that any of the

statements in Defendant's summary of the record is inaccurate in any respect, then Plaintiff's responsive brief shall include a footnote or section that lists each such statement, explains why each such statement is inaccurate, and includes supporting cites to the record.

c. The Court is familiar with the standard of review and the sequential evaluation process, so the parties may forego boilerplate discussions of the governing legal standards unless there has been a recent change in the law. The parties should focus on applying relevant and controlling legal authority to the facts germane to each disputed issue.

d. When citing relevant cases, statutes, regulations, Social Security Rulings, medical and vocational reference sources, or other legal authority to support their legal arguments, the parties shall provide complete and accurate citations to the portions of those authorities relied upon. In addition, all medical terminology (including medical conditions, diagnoses, procedures, tests, anatomical references, and pharmaceuticals) shall be defined in terms understandable to a layperson, preferably by citation to a medical dictionary or other standard reference work. The parties may not supplement the record beyond the definition of technical terms.

7. Memoranda in support of or in opposition to any dispositive motion shall not exceed 25 pages in length, and reply memoranda shall not exceed 10 pages in length. A party seeking to exceed these page limitations must apply to the Court for leave to do so in conformity with the undersigned's Individual Practices in Civil Cases, with copies to all counsel, **no fewer than seven days before the date upon which the memorandum must be filed.**

SO ORDERED.
